LEGAL NOTICE

ADVERTISEMENT FOR BIDS

NOTICE IS HEREBY GIVEN that the County of Tehama will receive sealed bids pursuant to County of Tehama, State of California Specifications for each item for the period commencing on date of approval by the Board of Supervisors through June 30, 2026 in accordance with the information and specifications on file in the Office of the Tehama County Purchasing Agent, 727 Oak Street, Red Bluff, CA. 96080, for the following:

CLASS II CRUSHED AGGREGATE BASE

¾" APPROXIMATELY 23,000 TONS

Bid must be received at the Office of the Purchasing Agent, 727 Oak Street, Red Bluff, California 96080 not later than 3 p.m. on August 19, 2025. Bids shall be submitted in sealed envelopes and marked "**Flood Control**". The selection process will be based upon criteria including, but not limited to price, product availability, and proximity to worksite.

Tehama County reserves the right to reject any or all bids and/or waive any irregularity in any bid received. Bidders may bid on individual items and will be selected based on individual material bids.

By: Debbie Schmidt – Deputy Purchasing Agent

**** Please publish in the Daily News on August 7, 2025. Send proof of publication and statement to Tehama County Purchasing Dept., 727 Oak Street, Red Bluff, CA 96080**

COUNTY OF TEHAMA, FLOOD CONTROL DISTRICT
SPECIFICATIONS FOR CLASS II CRUSHED AGGREGATE BASE

The bidder's plant shall have the ability to provide ¾" Class II Crushed Aggregate Base in accordance with Section 26 Aggregate Bases in the State of California, Department of Transportation, 2010 Standard Specifications, for pickup by Tehama County Public Works personnel and equipment.

The quantities on the "Bid Schedule" are approximates only and are shown as a basis for comparison of bids only. The County of Tehama does not, expressly or by implication, agree that the actual amount of the purchases will correspond therewith, but reserves the right to increase or decrease the amount as deemed necessary by the Deputy Director of Public Works – Water Resources.

The term of this bid and all material price bids shall be effective on date of Board of Supervisor approval through June 30, 2026, inclusive. The price per ton submitted by each successful bidder (Bid Schedule "Price" divided by "Approx. Tons") will be subject to adjustment for industry-wide price changes. In the event of industry price changes, either up or down, during the term of this bid, the County and each successful bidder will allow bid price adjustment to correspond with the industry fluctuation. An "industry-wide price change" means the net increase or decrease in the price per ton charged for similar materials by industrial suppliers located in California. The successful bidder and the County may each propose a price adjustment once per calendar quarter, at least 15 days before such proposed adjustment is to become effective. Such proposal shall state the percentage increase or decrease in price and the proposed adjusted price per ton. The percentage increase or decrease must be certified by at least two other industrial suppliers as reflecting an "industry-wide price change."

The bid price adjustments provided herein, either up or down, will be reflected in each sub-award made after the effective date of the adjustment and will be shown separately on all invoices.

Bids are being solicited in accordance with Tehama County's alternative transportation cost-based competitive bidding procedures. Each bid will be placed upon the County's approved bid list for the term of the bid. For each road repair and maintenance project during the term of the bid, the County will determine the distance between each bidder's plant and the job site, and will assign a transportation cost factor (calculated at \$3.90/mile) for each bidder to represent the County's cost to pick up the material and deliver it to the job site. These cost factors will then be added to the bid prices on the approved bid list (as adjusted for industry-wide price changes) to determine which bidder provides the lowest total County cost for that project. A sub-award will be made to the bidder for the project. The County shall have no obligation to make any purchase from any bidder until a sub-award is made by the Tehama County Purchasing Agent or Designee. Nothing in the Proposal shall be construed to require the County to purchase any crushed aggregate base from any bidder that is not included within this proposal under any circumstances.

Bidder agrees to provide billings that include all costs for each load of crushed aggregate base picked up at the plant.

The County reserves the right to remove any bidder from the approved bid list for failure of the bidder to perform in accordance with this proposal.
