Project Title: Integrated Wildlife Damage Management (IWDM) Program in Tehama County

Project Applicant: Tehama County Department of Agriculture

Project Location: Tehama County

Project Description: Approval of an agreement and work and financial plan for the period of 1/1/26 through 6/30/26 with the US Department of Agriculture, Animal & Plant Health Inspection Services for assistance on an Integrated Wildlife Damage Management program. The project can adequately rely on the EIR/EIS for the California Wildlife Damage Management Project dated May 2024 (SCH 2020099012) as described in the Environmental Checklist for California Counties Wildlife Damage Management Project.

This is to advise that the County of Tehama has approved the above described project on January 27, 2026 and has made the following determinations regarding the above described project:

1. The project is within the scope of the program Environmental Impact Report.
2. The project creates no new significant effect and does not make effects substantially more severe than those already existing.
3. A Project-Specific analysis was prepared for this program pursuant to the provisions of CEQA.
4. Mitigation measures were made a condition of the approval of the project.
5. A mitigation reporting or monitoring plan was adopted for this project.
6. A statement of Overriding Considerations was adopted for this project.
7. Findings were made pursuant to the provisions of CEQA.
