[X] Categorical Exemption. State type and section number: 15303 (New Construction of Small Structures)
Statutory Exemptions. State code number:

Reasons why project is exempt:

The project consists of the construction and operation of a new small commercial structure less than 2,500 s.f. in area (including the area of supporting ground mounted equipment), as well as utility and driveway extensions needed to serve the construction. None of the special situations described in CEQA Guidelines Section 15300.2, which would prevent use of a categorical exemption, are present. The project site has been used as an animal corral and an area for miscellaneous outdoor storage, and has no known archaeological or biological resources.
