

How Do I Dispose of Home-Generated Sharps Waste?

1. Ensure the lid is tightly closed and cannot be reopened. Label the container clearly as “Sharps Waste” if not already labeled.

2. Once you have placed your used needles into your sharps container(s), place it in the provided packaging and mail it back. Or you can drop them off at:

- *Coin Center across from St. Elizabeth Community Hospital
2580 Sister Mary Columba Dr, Red Bluff, CA 96080*
- *Corning Fire Department
814 5th Street, Corning, CA 96021*

Never put sharps in
your garbage or
recycling bags

Pick up a FREE sharps container and mail-back package at your local pharmacy or call 1-844-482-5322 and follow the prompts.

For more information, visit sharpstakebackcalifornia.org or call (844) 4-TAKE-BACK.
